PIZZA HEAT PLATES

**These exclusive Heat Plates bake everything in shorter time...
for fast baking of Pizza, Breads, and other Snacks / Baked goods**

- Heat Plates provide very fast baking times, up to 50% faster than traditional baking pans. It takes as little as 4-5 minutes to bake a fresh Pizza on the Heat Plate!
- The plates are manufactured from alloys which provide superior heat storage and produce fast, even cooking of both top and bottom of the food product simultaneously.
 - Non-stick baking surface
- Plates help ovens maintain better temperature stability under normal door opening/closing conditions.
